READY FOR TAKE-OFF?

INTRODUCTION

A private ground handling company established in 2012.
Licensed by the Libyan Civil Aviation Authority and the
Libyan Airports Authority to offer services in all Libyan
airports.

Our main office is in Tripoli – Libya , with other
offices in Mitiga Int'l Airport and Misrata Int'l Airport.

ABOUT US

ASFAR AVIA offers its services in all major Libyan international airports on the highest levels of local and international standards , that's by operating the newest equipment in the industry and by employing a highly trained staff to easily handle the requirements of the job.

ASFAR AVIA provides handling and aviation support services 24 hours/365 days a year. We regularly arrange civil and diplomatic over flight and landing permissions, aircraft slots, flight planning, fuel, ground handling, catering and hotel reservations. We provide flight monitoring on all flights to anticipate any potential problems and resolve before they impact the smooth operation of the flight.

ABOUT US

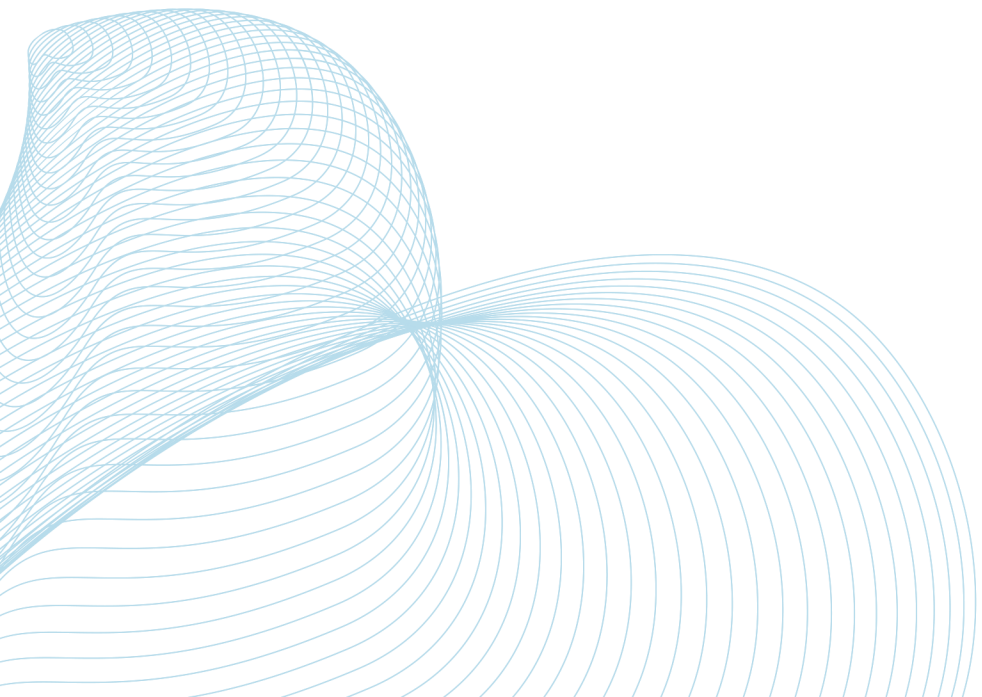

Our team has the expertise to support and manage your flight as we consistently provide a wide range of flight support services. ASFAR AVIA has a close relationship with the Libyan Civil Aviation Authority, Authorized Agencies and its offices in all Libyan airports. This relationships are our keys to secure the best over-flight and landing permits on the most estimable time possible.

VISION

ASFAR AVIA prides itself in being flexible and to adapt itself to the toughest demands required on many occasions by customers and agents in today's fast paced world, irrespective of whether the job being handled is "ad hoc" or a long-term contract. This strength undoubtedly stems from the fact that our dedicated staff takes the time to listen and understand the business of our customers and agents, which then enables us to propose the appropriate solution to what would otherwise be a complex job. This philosophy has ensured that the service offered by ASFAR AVIA is truly unrivalled, personalized and above all professional.

VISION

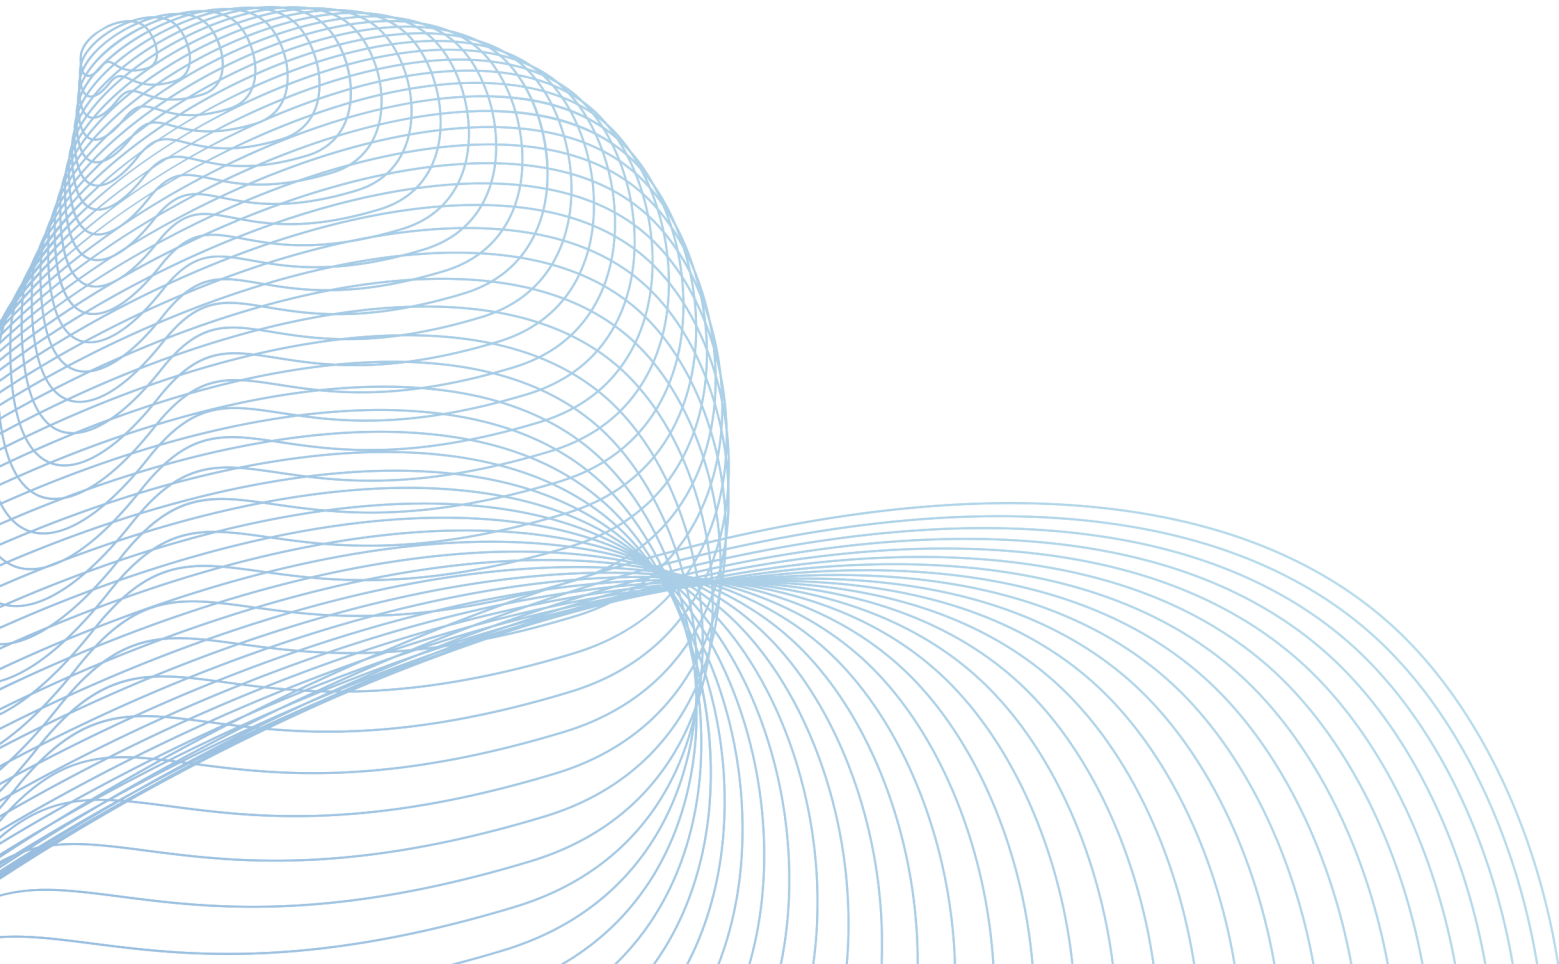

Our Quality Management System (QMS) is a part of our overall business system which implements our Quality Policy which establishes procedures for providing services to different clients and satisfies external quality system requirements. The QMS includes the policies, procedures, organizational structure, requirements and responsibilities for achieving our quality policy. The foundation for our QMS is found in our company's stated values, beliefs and culture.
